COMMENTS ON EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Notice of Allowability mailed August 15, 2008 included a statement of reasons for allowance. The Examiner stated that the claims are allowable over the references of record since none of the references of record teach "providing a path, a virtual IP address or an IP address from a determined virtual IP address." To the extent that the Examiner's reasons for allowance suggest or state that certain limitations or combinations are not found in the prior art and imply that the allowed claims recite particular claim elements, regardless of the actual claim language, it is noted that "the record as a whole" must be considered as a supplement to the statement of reasons for allowance, and to the extent that the record is clear and complete, it shall control the interpretation of any and all claims.

Respectfully submitted,
